In the near future, another planet exists with the same conditions and magnetic fields as Earth. On this planet, magic is real, and the beautiful world of the machines, which are known as "Tanks," occurs. In the "League of Felt Tanks," you can join your own squad of tanks and compete with other players in online battles. EXPLOSIVE BATTLES AND TANK CUSTOMIZATION! This game has a unique single-player battle mode, in which you can embark on a quest with the AI or real people. As your tanks shoot and explode, you can customize your tanks in order to have an advantage. All tanks can change their height and width with a tank-specific gun type. Then, it's hard to guess the outcome, since it is difficult to make your enemy's magic work. Turbo-boost and zoom are useful in every situation, so make them work for you! We will continue to work on features like this! What's new in Living Legends Remastered: Ice Rose Collector's Edition:

Capsular Soundtrack is an EP released by Christian electronic music artist Capital Kings. The full album "The Capsule Chronicles" was officially released on January 17, 2014. Album information The Capsule Chronicles is the second full-length album released on Demand Records. It debuted at No. 16 on the Top Heatseekers chart and at No. 27 on the Top Independent Albums chart. Six songs were recorded and released on a limited edition cassette independently before the album's release. According to the record's liner notes, the album has a more melodic direction with each song. Examples of this direction are the choppy bottomless bassline in "The Path of the Dead", the backward piano at the beginning of "Darkness", the slow-paced drum pounding in "Heaven Come Soon", the interlude between "Me & God" and "Humility", and the guitar in "Heaven Come Soon" as well as "Die My Soul". I'm looking for (or seeing if it is already known) a formula for the Kuhn length of a given sequence of words. That is, given some finite vocabulary V , what is the minimum number k such that any given sequence that is an infinite concatenation of k words of V is representative of a sentence?
