Pale Moon Crisis is a first-person horror/slasher game that departs from the usual Lovecraftian and brutal tonalities of the genre as it centers on a protagonist with no eyes who has to escape from a surreal mansion full of monsters and occult ornaments. Oct 18, 2017 The game focuses on the gameplay as much as it does on the story, in a way that feels like it's been transported from one genre to the next. Is there a Pale Moon Crisis For PC 1 GameRd. Feb 3, 2018 If you haven't played the game, here's a little backstory for you. The video above is a gameplay demo of how the story unfolds. Oct 21, 2017 The first game is a 2D, clumsy and playful slasher with a poor narrative, while the second follows the same gameplay, but is a dull and short story-driven adventure about some murders in a college. Pale Moon Crisis: I dare you to play this game Apr 17, 2018 Pale Moon Crisis is a uniquely atmospheric take on the slasher genre, the game's impressive visuals and its very well implemented puzzles can only be seen as innovative. When a game is called 'The Game of The Year' for 2018 Jun 19, 2018 'Pale Moon Crisis', the interwoven, surreal first-person horror game is also our pick for Game of the Year.
