The new fantasy action RPG "Elden Ring" has been released on Steam on June 17th, 2016. Now that the train has left the station, the new fantasy action RPG "Elden Ring" release Steam, is now available on Steam! The previous version on Steam was limited to an account that had been registered as an active user prior to December 4th, 2015. After registering a new account, you can now download and play "Elden Ring" that has been upgraded to the Steam version. The Steam version offers better graphics, improved sound effects, and faster gameplay. Some features have also been added, such as an NPC search function, multiple languages, and downloadable character data. We sincerely hope that you will enjoy the new Steam version "Elden Ring"!

Greetings, Elden Games Hello Elder! We are finalizing the Steam version. As a result, we are planning the following. Steam version Final Release - August 1st, 2016 \* Account registration is required to download and play the game.

- Because an account must be registered before installation, we recommend that you create a new Steam account.
- Please know that we have added Steam features only for Steam users, so an account for the virtual box Steam client is required to install the game.
- \* Please note that due to unexpected circumstances, the Steam version was expected to be released on July 27th, 2016, but the deadline has been extended.
- Therefore, please bear with the extension and read our customer information to check the timing of release.
- \* The difference between the Virtual Box Steam version and the Steam version is as follows.
- The Virtual Box Steam version is a boxed edition.
- The Steam version does not include a box, instead it is downloaded from the Steam store. The steam version has greater benefits.
- \* There is a maximum of 4 players on a multiplayer game.

the Culture. The more that you advance, the more the Factions begin to interact one with another, and the Lands Between becomes fiercer. At the same time, the Culture splits into more Factions, and you decide which Faction will oppose the others.

### **Size and form of the Elden Ring and Factions**

There are seven Factions in the Elden Ring. The warriors of the Elden Ring are called Knights. Among the seven Factions, the shield of the Elden Ring has already spread throughout the entire world, and the others are slowly spreading their shield throughout the world. The blue Factions' shield has spread around the Elden Ring, and the magenta and red factions' shields are located at the Battle Staging Grounds.
