09/13/2012 · I do use Android torrent client for that, but since movie2k is more popular and maybe more up-to-date. I have almost no experience with movie2k I just switch between them to match the quality. Anyway, you have to find the torrents yourself with either client, or use a website like utorrent or play the vfuturent.com website. I tried utorrent myself but never used it for torrents that I downloaded for movie2k, as I got very good results with it with movie2k and quality.
